Group Lessons

Welcome to our new look for Junior Group Tennis Lessons. We will start with two sessions, 7 weeks each, and will re-evaluate the program offerings going forward. Because of the unknown school schedules this fall, all lessons are offered on Saturdays with each level capped at 36 participants which equates to 6 students per teaching pro. Please register your child as soon as possible so you won't be disappointed if the class is full. Non-members must pay for the entire session at the time of registration and members will be billed for the entire session upon registering. If your child has a schedule conflict, they will not be charged if you provide those dates with your registration. Because of the student to teacher ratio, we cannot allow make-up times, so please check your schedules before you call to register your child. Sorry, no refunds. Walk-ins accepted only if classes are not full. Please check our website, PVTFC.com, for updated group lesson information for our future sessions starting Jan. 2, 2021.

In the event of a future COVID19 shutdown, a credit will be issued for any remaining classes which can be used towards future lessons.

Our goal is to help your child learn the basic fundamentals of the game along with sportsmanship and fun!
